RE: Washington County Utility Easement Permit

Mitch:

Pursuant to the Utility Easement Permit application submitted by the City of Bartlesville to install a water reuse pipeline crossing several County roads, the City of Bartlesville will restore any damage to the road and right of way caused by the installation of the road crossings as depicted by the application. The pavement restoration for the road crossings will be 6-inches of asphaltic Type B concrete over compacted aggregate backfill. The right of way will hydromulch seeded.

Sincerely,

Terry Lauritsen, P.E.
Director of Water Utilities
